**03. Physical Data**

Characteristics	Description
Appearance	White to off white creamy soft solid
Odor	Sweet mixed floral scent

**MATERIAL SAFETY DATA SHEET**  
Very Emollient Body Lotion, Original

Viscosity @ 25 °C	15,000 – 75,000 cps
Specific Gravity @ 25 °C	0.985 – 1.025
pH @ 25 °C	5.00 – 7.00
Boiling Point	N/A
Melting Point	N/A
Solubility in Water	Yes

**04. Fire & Exposition**

- Flash Point – N/A
- Explosive Limits – None Known
- Flammability Classification – N/A
- Extinguishing Media – Extinguish fires with ABC all-purpose extinguisher.
- Fire Fighting Instruction – Fire fighters should use self contained breathing apparatus in enclosed areas.

**05. Hazards Identification**

- Eye – May produce transient mild eye irritation
- Skin – May cause mild skin irritation, if skin irritation occurs and lasts stop using the product
- Inhalation – Not likely to be inhaled
- Ingestion – None toxic

**06. Emergency & First Aid Procedures**

- Eye – Immediately rinse eyes thoroughly with water for at least 15 minutes
- Oral Irritation – Rinse thoroughly with water
- Skin – Rinse with water. Remove contaminated clothing
- Ingestion / Intoxication – Drink plenty of water, if vomiting seriously see physician immediately
- Inhalation – N/A

**07. Accidental Release & Spill**

- Personal Precautions: None Known
- Environmental Precautions: None Known
- Spill / Leak Clean-up – Dilute with Water.

**08. Exposure Controls & Personal Protection**

- Engineering Controls – None required
- Personal Protective Equipment
  - a. Eye – Safety glass
  - b. Skin – None required

**MATERIAL SAFETY DATA SHEET**  
Very Emollient Body Lotion, Original

c. Inhalation – None required

**09. Handling and Storage**

- Precautions for Safe Handling – None.
- Conditions for Safe Storage - None.
- Other Recommendations – None

**10. Stability and Reactivity**

- Possible Hazardous Reactions – None Known
- Condition to Avoid – None Known
- Hazardous Decomposition Products – None Known
- Other Recommendation - None

**11. Toxicological Information**

- The product is not likely to be harmful to health under normal or reasonably foreseeable conditions of use.
- These products have been used extensively by consumers and the worldwide beauty care industrial is not aware of any significant adverse reactions from using this product.
- Effects of Chronic Exposure – For purposes of chronic exposure under the OSHA Hazard Communication Standard, these products are untested mixtures. The safety of each ingredient is extensively reviewed by several product safety evaluation organizations, i.e. US Food and Drug Administration, Personal Care Products Council, etc.

**12. Transport Information**

- DOT Classification – N/A

**13. Additional Regulation Information**

- Body lotion is a personal health care product regulated by the Food and Drug Administration as a cosmetic.

**14. Other Information**

- This Material Safety Data Sheet is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.
