

MAGnificent Floor/Table LED Magnifying lamp

U25050

The MAGnificent Lamp is ideal for all types of detailed work. The daylight™ LEDs provide high contrast and accurate color matching, making it easier and less tiring to read, work and see detail clearly. LEDs use very little energy.

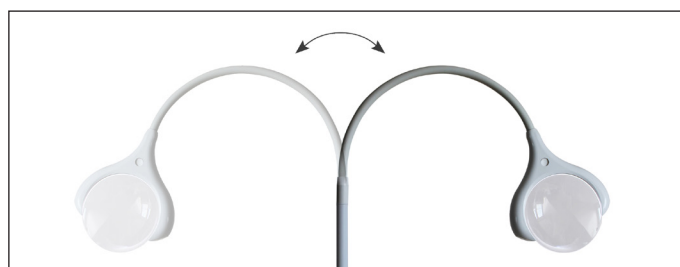

Adjustable Height

This lamp is cleverly designed to be used as both a floor lamp (with 2 different height options) as well as a table lamp.

Semi- Rimless Lens and bright LEDs

The large, semi-rimless 3D (1.75X) lens allows uninterrupted viewing of close up work. Bright LEDs are ideal for color matching.

Flexible Arm

Adjustable arm allows you to direct the light where you need it most. Lighting up and magnifying your work
