

DELUXE ADJUSTABLE™ PLATFORM

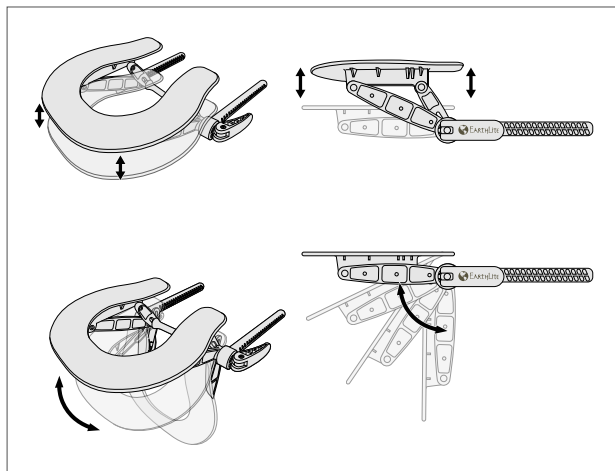

Our Deluxe Adjustable Platform is simple, easy to adjust, and compactly folds without sacrificing clients' comfort. In addition to tilting to any desired angle, our deluxe platform can be adjusted vertically to custom fit any client's body. The dowels measure 8" on center to fit Earthlite tables.

Features:

- Single cam lever for easy angle and height adjustments and locks into place
- Folds compactly
- Fits 8" on center outlets

Adjustments of both angle and height for perfect positioning of clients for any type of treatment.

Fits 8" on center outlets

Folds compactly for convenient storage
