EARTHLITE® UV HOT TOWEL CABINET

HEALING HUMANITY THROUGH TOUCH™

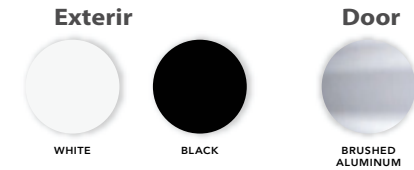

EARTHLITE® UV HOT TOWEL CABINET

The industry leader in massage and spa equipment has developed a proprietary line of UV Hot Towel Cabinets. These towel warmers have been designed and engineered to produce consistent heat ranges to have durable construction and easy operation.

Our signature silver door is surrounded with your choice of white or black exterior and three convenient sizes. The Earthlite® UV Hot Towel cabinet was definitely designed with quality in mind.
