

Lash and Brow Growth Serum

Specialty Skincare Collection

All Skin Types • Paraben-Free • Gluten-Free

Utilizing cutting edge technologies, our treatment preserves youthfulness of the lashes and brows by thickening, lengthening, conditioning and darkening. The peptide Myristoyl Pentapeptide-17 increases eyelash thickness and length. Apple Stem Cells encourage hair to grow thicker and longer while preventing hair from graying. Pterocarpus Marsupium Bark Extract works to prevent the loss of hair over time. Use Lash and Brow Peptide Growth Serum to lengthen lashes and thicken eyebrows.

SKU: SK127
Size: .5 ml
