

# Safety Data Sheet (SDS)

**Product Name: CBD TheraRelief Professional Pain Relief Gel – Freeze+Heat**

## Section 1: Identification

**Product Name:** CBD TheraRelief Professional Pain Relief Gel – Freeze+Heat

**Product Class:** Mixture, Gel

**Intended Use:** For external use only. Do not ingest as such.

**Supplier:**

PURA Wellness Labs, LLC  
596 Progress Dr.  
Hartland, Wi 53029

**Emergency telephone:**

Emergency Chem-Tel 1(800) 255-3924 or USA National Poison Control Center (412) 681-6669

## Section 2: Hazard(s) Identification

**Classification:** This product is not considered hazardous by OSHA Hazardous Communication Standard (29 CFR 1910.1200). This SDS sheet does contains important information critical to use regarding the product and should be kept for us by employees and users of this product.

**Precautionary statements:**

**Eye Contact:** Significant. Do not put into eyes or may cause irritation and burning. Rinse with water several minutes and if irritation persists get medical advice/attention.

**Skin Contact:** Not expected to cause any skin reactions. If mild irritation occurs discontinue use. Wash thoroughly with soap and water.

Flammable liquids.

**Ingestion:** Do not ingest. May be harmful is swallowed. For external use only.

Call poison control or doctor if you symptoms persist and you feel unwell.

**Inhalation** –If causes irritation please see fresh air.

**Storage Precautionary Statements:**

Store at room temperature. Not intended to be left in extreme temperatures. Flammable liquids and vapor.

**Disposal Precautionary Statements:**

Dispose of contents/container according to federal, state, or local regulations.

## Section 3: Composition/Information on Ingredients

Inci Name	CAS #	Function	
Menthol – 10%	2216-51-6	Topical analgesic	Active
Methyl Salicylate – 5%	119-36-8	Topical analgesic	Active
Camphor 3%	76-22-2	Topical analgesic	Active
Deionized Water	7732-18-5	Solvent	
SDA 40B 190 Proof Alcohol (Ethanol, 2-Propanol, 2,-methyl-)	64-17-5 / 75-65-0	Solvent	
PEG-40 Hydrogenated Castor Oil	61788-85-0	Re-fattening Agent	

# Safety Data Sheet (SDS)

## Product Name: CBD TheraReleaf Professional Pain Relief Gel – Freeze+Heat

Carbomer	195739-91-4	Thickener	
Triethanolamine	102-71-6	PH Balancer	
Organic Hemp Seed Oil (Cannabis sativa Seed Oil)	89958-21-4	Oil	
Organic CBD Broad Spectrum Hemp Extract	13956-29-1	Extract	
Sunflower Seed Oil (Helianthus Annuus)	8001-21-6	Oil	
Arnica montana Flower Extract	273-579-2	Extract	
Retinyl Palmitate (Vitamin A)	79-81-2	Oil	
Tocopheryl Acetate (Vitamin E)	59-02-9	Antioxidant	

### Section 4: First-Aid Measures

#### Description of first aid measures:

Ingestion: Rinse mouth with water. Obtain medical advise.

Skin Contact: Wash with copious amounts of soap and water. Seek medical attention if irritation develops or persists.

Eye Contact: Rinse eyes thoroughly with potable water for at least 15 minutes and remove contacts if easy to do. Rinse under eyelids to remove any material. Seek medical attention if irritation persists.

Inhalation: Remove victim to fresh air. Seek medical attention immediately if person is unconscious or if breathing difficulty continues. Give artificial respiration and CPR if necessary.

#### Most important symptoms and effects:

Ingestion: May cause irritation to mouth, throat, and gastrointestinal tract.

Skin Contact: May cause irritation or redness. May produce an allergic reaction.

Eye Contact: May cause severe irritation or redness and burning.

Inhalation: If causes irritation in the nose, throat, and respiratory tract occurs with coughing, sneezing, and shortness of breath go to open fresh air and ventilate area.

#### Indication of any immediate medical attention and special treatment needed:

If needed, have the label or container available.

### Section 5: Fire-Fighting Measures

**Extinguishing media:** Use foam or dry powder. DO NOT USE WATER.

**Special hazards arising from the substance or mixture:** Mixture contains oils that are combustible at extreme temperatures.

**Fire hazard:** Highly combustible hazards in a fire.

**Advice to firefighters:** Suitable protective body suits, eye protection and respiratory ventilation devices should be worn to avoid breathing vapors.

### Section 6: Accidental Release Measures

**Personal precautions:** Do NOT Smoke and do NOT expose to open flame, sparks, hot surfaces or sources of ignition. In case of accidental release, use caution as the floor may become slippery. Wear appropriate protective equipment and clothing during clean-up.

**Environmental precautions:** Carefully contain and stop the source of spill. Product should not be excreted into drains or discharged into surface water or groundwater. Should a release of this product enter a US waterway and cause a film or sheen, the National Response Center (NRC) must be notified within 24 hours at (800) 424-8802.

# Safety Data Sheet (SDS)

**Product Name: CBD TheraReleaf Professional Pain Relief Gel – Freeze+Heat**

**Methods and materials for containment and cleaning up:** Use inert, non-combustible, absorbent materials to soak up spill if small and contained. Spilled product should be placed in suitable container for proper disposal according to all federal, state and local regulations.

## Section 7: Handling and Storage

**Precautions for safe handling:** Do not ingest. Wash thoroughly with potable water and mild soap after handling.

**Conditions for safe storage, including any incompatibilities:** Keep container in a cool, dry, and well-ventilated place. Observe label precautions. Only store in original container. Storage temperature are recommended at room temperature.

## Section 8: Exposure Controls/Personal Protection

**Control parameters:** Follow applicable regulations in your jurisdiction.

**Currently recommended monitoring procedures:** No recommendations.

**Exposure Controls:**

**Appropriate engineering controls:** Use local exhaust ventilation when possible to remove and prevent buildup of vapors/fumes.

**Individual protection methods:** Use good industrial hygiene practices in handling this material. Eye wash stations should be available. Wash exposed skin and face thoroughly with potable water and mild soap after use. If any irritation, redness, or a rash is noted, treat symptomatically or consult a doctor. Wear gloves, safety glasses, and protective clothing. In case of eye contact, flush with plenty of clean, potable water for at least 15 minutes. Remove contacts if easy to do so. Seek medical attention immediately. Wash contaminated skin before eating, drinking or smoking.

**Personal Protect Equipment (PPE):**

**Eye/Face:** Optional goggles/face shield can be worn for protection.

**Skin:** None needed.

**Feet:** Wear suitable foot protection to avoid potential slips if product is spilled on the floor.

**Respiratory:** If airborne concentrations are above the applicable exposure limits, use NIOSH-approved respirator if qualified.

## Section 9: Physical and Chemical Properties

<b>Physical State:</b>	Gel Mixture
<b>Color:</b>	Yellow
<b>Odor:</b>	Pungent, Minty, Wintergreen
<b>Odor Threshold:</b>	No data available
<b>Melting Point:</b>	No data available
<b>Freezing Point:</b>	No data available
<b>Initial Boiling Point:</b>	No data available
<b>Flammability (solid, gas):</b>	No data available
<b>Lower and Upper Explosion</b>	No data available
<b>Flash Point:</b>	No data available

# Safety Data Sheet (SDS)

Product Name: CBD TheraReleaf Professional Pain Relief Gel – Freeze+Heat

## Section 9: Physical and Chemical Properties

<b>Auto-Ignition Temperature:</b>	No data available
<b>Decomposition Temperature:</b>	No data available
<b>pH:</b>	No data available
<b>Kinematic Viscosity:</b>	No data available
<b>Solubility:</b>	Oil soluble
<b>Partition Coefficient:</b>	No data available
<b>Vapor Pressure</b>	No data available
<b>Density</b>	No data available
<b>Density (and/or Relative Density):</b>	Specific Gravity (Water=1) >1
<b>Water solubility</b>	Insoluble
<b>Viscosity, dynamic</b>	No data available
<b>Relative Vapor Density:</b>	No data available
<b>Particle Characteristics:</b>	No data available

## Section 10: Stability and Reactivity

**Reactivity:** Not studied as distributed.

**Chemical stability:** Stable under recommended conditions of storage and use.

**Possibility of hazardous reactions:** Under normal conditions of storage and use, hazardous reactions will not occur. Hazardous polymerization will not occur.

**Conditions to avoid:** Heat, sparks, flames, hot surfaces, sources of ignition or high temperatures.

**Incompatible materials:** Incompatible materials and possible hazardous reactions may occur with oxidizing mineral acids, reducing agents, or other strong oxidizing agents.

**Hazardous decomposition or byproducts:** Carbon monoxide and other unidentified organic compounds may be formed upon combustion.

## Section 11: Toxicological Information

### Information on toxicological effects:

#### **Acute Exposure and Symptoms:**

Ingestion: May cause irritation to mouth, throat, and gastrointestinal tract.

Skin Contact: May cause irritation or redness. May produce an allergic reaction.

Eye Contact: May cause severe irritation or redness and burning.

Inhalation: May irritate the nose, throat, and respiratory tract. Coughing, sneezing, and shortness of breath may occur following exposure.

#### **Chronic Exposure:**

No data exists for chronic exposure to the product.

### **Numerical Measures of Toxicity**

No information exists for the product as distributed.

### **Component Carcinogenicity**

This product does not contain any substances listed as a known or suspected carcinogen.

# Safety Data Sheet (SDS)

**Product Name: CBD TheraReleaf Professional Pain Relief Gel – Freeze+Heat**

## Section 11: Toxicological Information

### Other Toxicological Information

Reproductive toxicity: Not classified.

Germ cell mutagenicity: Not classified.

Respiratory or skin sensitization: Not classified.

Specific target organ toxicity, single/repeat exposures: Not classified.

Aspiration hazard: Not classified.

## Section 12: Ecological Information (non-mandatory)

**Ecotoxicity**: Product has not been studied as distributed.

**Acute aquatic toxicity**: Product has not been studied as distributed.

**Persistence and degradability**: Not studied as distributed.

**Bioaccumulation**: Not studied as distributed.

**Mobility in soil**: Not studied as distributed.

**PBT and vPvB**: Not studied as distributed.

**Other adverse effect**: Do NOT allow product to enter sewers, streams or other bodies of water.

## Section 13: Disposal Considerations (non-mandatory)

### **Waste treatment methods:**

**General Product Information**: Whatever cannot be saved or recovered for recycling should be disposed of according to state and local regulations. Dispose of container and unused contents in accordance with federal, state and local requirements.

## Section 14: Transport Information (non-mandatory)

### Transportation Information:

In accordance with DOT – not regulated

## Section 15: Regulatory Information (non-mandatory)

### **15.1 Safety, health, and environmental regulation:**

#### US Federal Regulations

**General Product Information**: Gel Mixture.

#### State Regulations

**General Product Information**: Other state regulations may apply. Check individual state requirements.

#### Carcinogenic categories

##### **National Toxicology Program (NTP):**

Product is not listed. No components of the product are listed.

##### **International Agency for Research on Cancer (IARC):**

Product is not listed. No components of the product are listed.

# Safety Data Sheet (SDS)

**Product Name: CBD TheraReleaf Professional Pain Relief Gel – Freeze+Heat**

## Section 15: Regulatory Information (non-mandatory)

**Environmental Protection Agency (EPA):**

Product is not listed. No components of the product are listed.

**American Conference of Governmental Industrial Hygienists (ACGIH):**

Product is not listed. No components of the product are listed.

**National Institute for Occupational Safety and Health (NIOSH):**

Product is not listed. No components of the product are listed.

**Occupational Safety & Health Administration (OSHA)**

Product is not listed. No components of the product are listed.

## Section 16: Other Information

### Other Information

**Disclaimer:** The information presented in this SDS is based on the information available at the time of authoring. This information is considered to be reliable and accurate at the time of authoring but is not guaranteed to be so after publication. Since conditions of use are beyond the control of the supplier no warranties are made, expressed or implied, except those that may be contained in written contracts of sale or acknowledgment.
