WORLD'S #1 BRAND IN MASSAGE™

VIBRA-THERM™

SPORTS THERAPY TABLE

HEALING HUMANITY THROUGH TOUCH™

VIBRA-THERM™ SPORTS THERAPY TABLE

INVIGORATE THE RECOVERY REGIMEN

The breakthrough Vibra-Therm™ Sports Therapy Table combines the power of heat with vibration massage to enhance muscle recovery and accelerate warmup. Vibration therapy consists of repeated rapid oscillation of localized pressure to stimulate the body's muscle and connective tissues. Lower speeds are used for muscle relaxation while the higher speeds are used for stimulation and activation. Our programmable system features six (6) intensity levels and six (6) speeds across three (3) zones for maximum therapeutic impact and customized treatments. Meanwhile, two (2) levels of penetrating heat offer additional impact. Can be used alone or to supplement traditional sports massage and physical therapy for maximum effect. Lightweight, compact, and portable. Designed for professional and home use. Weighs only 43 lbs. Complete package includes UL listed electronics, adjustable headrest, crescent cushion, and carry case.

Customized Vibration Therapy Treatments – Stimulate muscles and fascia with six (6) intensity levels, six (6) frequencies and three (3) vibration modes (Continuous, Pulse, and Wave) to create an array of customized therapy treatments.

Targeted Treatment Areas – Targeting upper back, lower back, and thighs for localized, targeted treatment.

Embedded Heat Therapy – Warm up sore muscles with embedded heat therapy pad with low and high intensity settings with or without vibration therapy.

Professional Quality Treatment Table – Full-sized massage table constructed from managed forest hardwoods and the finest eco-friendly upholstery available.

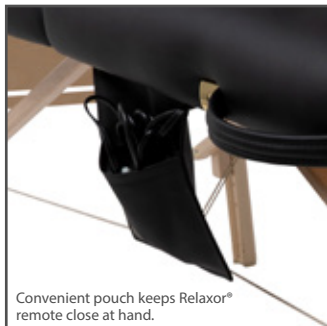

Complete Professional Package – Includes table, remote controlled electronics, headrest and face cushion, and rugged carry case.

UL Listed Electronics – Including convenient, intuitive remote control.

Warranty From Earthlite – World's #1 brand in massage since 1987. Limited lifetime warranty on frame, and 2-year warranty on electronic parts.

The Vibra-Therm™ table combines two (2) levels of penetrating heat with 3 vibration modes to aid in therapy.

Convenient pouch keeps Relaxor® remote close at hand.

Complete Professional Package
Includes Deluxe Adjustable Facecradle with FacePillow and durable carry case.
