

Paragon HC202 Hot Towel Cabinet - Double

The classic design of Paragon's HC202 Hot Towel Cabinet is often imitated but its legendary performance has never been duplicated. Designed to operate continuously and silent all-day, these hot towel cabinets will maintain hot, pre-moistened towels with a single press of a button. Ideal for spas, salons, and restaurants, hot towels can provide clients with a sense of relaxation and luxury at a nominal cost. This hot towel cabinet can be placed on counter tops, mobile carts, and below treatment tables. The HC-series of hot towel cabinets features rust-proof aluminum interior, silicon doors, seals, double-walled construction, drip trays, and wire metal racks.
