

# E100 DELUXE ELECTRIC SPA TABLE

## E100 Deluxe Electric Spa Table

E100-D-I9394

**Lifting Capacity: 650 lbs.**

**Dimensions: 72.5"L x 30"W x 28-34"H (83"L including head rest)**

Custom Craftworks' new Signature Spa Series features two high-quality classes of spa tables. The E Class features fully electric spa tables. With the new Signature Spa Series, exclusive spas and clinics will be able to provide ultimate client comfort and excellent quality spa products without compromise.

The E100 Deluxe Electric Spa Table is the first choice among five-star resorts and spas for its state-of-the-art features including a fully adjustable electric salon cushion with 3.5" foam, rounded corners, and luxurious upholstery. The table also provides electric height adjustment controlled by both hand and foot, removable flexible armrests, and a large cabinet with sliding doors for storage.

- Maple wood frame with walnut stain
- Large storage cabinet with sliding doors, accessible from both sides
- Electric height adjustment controlled by both hand and foot
- Height range is 28-34"
- Adjustable feet for stability
- Fully electric salon cushion with hand control
- 3.5" thick multi-layer foam system with rounded corners and luxurious upholstery
