

STAR NAIL INTERNATIONAL, INC. MSDS**PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment January 02, 2014**

This form is regarded to be in compliance with 29 CFR Part 1910.1200

SECTION 1 : IDENTIFICATION
-----**PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment**

Product Use: Revitalizer for feet

Manufacturer's Name : Star Nail International, Inc. Chemical Family :
Address : 29120 Avenue Paine Proprietary Mix
City, State, Zip : Valencia, CA 91355 CAS# N/A

24 HR. EMERGENCY TELEPHONE: CHEMTEL 1-813-248-0573

SECTION 2: Composition/Information on Ingredients
-----**Outside Product****113.5g Bath Fizzer**

Ingredient INCI-NAME	Percentage	CAS-Number
Sodium Sulfate	10—30	7757-82-6
Sodium Carbonate	10—30	497-19-8
Sodium Bicarbonate	10—30	144-55-8
Fumaric Acid	5—10	110-17-8
Succinic Acid	5—10	110-15-6
Citric Acid	4-5	77-92-9
Sucrose	<3	57-50-1
Cellulose Gum	<2	9004-32-4
TALC	<1.5	14807-96-6
PEG-8	<0.2	25322-68-3

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. MSDS**PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment January 02, 2014****Inside Product****6.5g Bath Tablet**

Ingredient INCI-NAME	Percentage	CAS-Number

Cellulose Gum	<2	9004-32-4
TALC	<1.5	14807-96-6
PEG-8	<0.2	25322-68-3

Inside Product**58g Magnesium Sulfate**

Ingredient INCI-NAME	Percentage	CAS-Number
Magnesium Sulfate	99.80	7487-88-9
PEG-8	0.20	25322-68-3

SECTION 3: Hazardous Identification

NON-HAZARDOUS SUBSTANCE. NON-DANGEROUS GOODS
not classified as hazardous according to 76/768 EEC test

SECTION 4 : First Aid Measures

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. MSDS

PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment January 02, 2014

After inhalation

Not expected during normal use. If difficulty with breathing occurs, seek medical advice.

After skin contact

Products in intended for skin contact. If excess product contact skin wash away with water.

After eye contact

Immediately flush eyes with copious amounts of running water for 15 minutes, holding the eyelids open. If irritation persists seek medical attention.

After ingestion:

The diluted product is swallowed is unlikely to cause harm. Drink lots of water, seek medical attention when necessary

SECTION 5: Fire Fighting Measures

Suitable extinguishing media

Use any means suitable for extinguishing surrounding fire.

Extinguishing media which must not be used for safety reasons:

none known

Special exposure hazards arising from the product itself, from combustion products or from resulting gases

non-combustible material

Special protective equipment for firefighters:

no special measures necessary;

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment **January 02, 2014**

SECTION 6 : Accidental Release Measures

Personal Precautions:

Avoid Contact with eyes.
For external use only, keep out of reach of children.

Environmental Precautions:

Not Applicable

Methods of cleaning up/of removing

Small:

Use appropriate tools to put the spilled solid in a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority.

Large:

Use a shovel to put the material into a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system.

SECTION 7 : Handling and Storage

Handling:

No special measures required. People with sensitive or damaged skin should avoid contact washing solution.

Storage:

Store in suitable labelled containers. Keep containers closed when not in use. Store in dry and cool place.

SECTION 8 : Exposure Controls/ Personal Protection

Information on the system design:

No special measures required

Components with specific control parameters:

None

Personal protection:

Not required.

Avoid contact with eyes

Avoid contact with nose

Under normal condition of use, exposure time will be short and likelihood of causing skin irritancy will be very low. If irritancy happened stop using and go to see the doctor.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

SECTION 9 : Physical and Chemical Properties

Physical state:	Solid
Colour:	white
Odour:	Lavender
PH: (10C)	5.5-7.0
Solubility:	Completely soluble
Specific Gravity	No Information (N/A)
Vapour Pressure	No Information (N/A)
Vapour Density	No Information (N/A)
Evaporation Rate	No Information (N/A)
Boiling Point	No Information (N/A)
Freezing Point	No Information (N/A)

SECTION 10 : Stability and Reactivity

Conditions to avoid

Stable under ordinary conditions of use and storage

Do not heat above 40C.

Materials to avoid

Do not mix with other materials

Hazardous decomposition products:

does not occur

SECTION 11: Toxicological Information

Ingestion:

If swallowed may cause slight, transient irritation to the mouth and upper digestive tract.

Skin contact:

May cause slight skin irritation especially if exposure is prolonged and/ or repeated. However, under normal use, exposure time will be short and the likelihood of causing skin irritants will be very low

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. MSDS

PRODUCT NAME: Cuccio Naturale DetoXsoak Herbal Treatment **January 02, 2014**

Contact with the dilute solution is unlikely to cause skin irritation even if contact is prolonged and/ or repeated.
